Weekend timetable

- On Saturday, until the end of morning class, the non-residential timetable will be followed.
- After the non-residential students go home, the student mostly have the weekend as free time, where they can get some extra rest, do some extra curricular activities, enjoy time with peers and friends.
- Throughout the weekend, the students will be called for registration – this will mostly be during the prayer times.
- Also, on Saturday & Sunday evening, students will have **2 hour** study period time, the students will do adkhaar, revision and further reading during this time.
- On Sunday, breakfast is served later than usual. This would be around 12 - 1pm.
